Friday 5 February

Dear Parents

### **Use of headphones with Chromebooks**

There may be times when, in order to focus on an activity and help reduce potential distractions, the use of headphones is an advantage both at home and in class. There are many cost effective solutions available should you wish to purchase [headphones](#) for your child.

If your child is currently attending school in one of our bubbles, they may bring their own headphones into school for use with their Chromebooks. However, headphones are entirely your child's responsibility so please do not send in expensive sets or ones that cannot easily be stored neatly in the pocket of the Chromebook carry case. All headphones must be labeled with your child's name.

Thank you for your support.

Sue Denny  
**Deputy Head teacher**
