Dear Nursery and Reception Parents

Each year, we ask parents in the Early Years to consider making voluntary contributions to help support the resources we use with the children.

These contributions go towards items such as cooking ingredients, play-dough, and other valuable materials that enhance learning and play. If you are able to contribute, we suggest a donation of £10 per term. If you are in a position to give more, it would be greatly appreciated.

Parents can choose to make a one-off, termly, or monthly donation through Arbor. Thank you for your generosity. Simply log in to Arbor, under school Shop to make your donation in multiples of £10, £20, £50, £100.

Thank you again for your support. Every contribution helps us provide enriching experiences for our youngest learners, fostering creativity and curiosity from the very start of their educational journey.

Warm Regards

Tijen Hassan
Headteacher
