

Nursery Autumn 2: Wonderful ME!

Curriculum connections

0

English

Learn by heart a number of nursery rhymes such as; 'Five Little Men in a Flying Saucer', 'Finger Family', 'Ten in the Bed', 'It's Raining, It's Pouring' and 'Twinkle twinkle little star' as children engage with 'Rhyme of the Week'.
Begin to ask and answer questions about books and stories.
Repeat words and phrases to help explain what has happened in a story such as 'I see a red bird looking at me'.
Look at simple picture books to learn new vocabulary.
Explore and hear different voice sounds.
Continue to recognise own name in the environment: writing name cards, book bag, lockers, self registration, snack table.
Build a rich vocabulary by listening to a variety of books including information text linked to the world and special events such as 'Anti-bullying Week' and 'Road Safety Week'.
Begin to draw simple representations of people or objects.
Begin to copy own name at self registration.
Continue to write in a wide range of ways outside and in the class: clipboards, chalkboards, easel, vertical writing, ground.

Maths

Talk about and explore 2D and 3D shapes e.g. encourage children to play freely with blocks, shapes, shape puzzles and shape-sorters.
Pushes objects through different shaped holes, and attempts to fit shapes into spaces on inset boards or puzzles.
Select a shape for a specific space.
Enjoys using blocks to create their own simple structures.
Chooses puzzle pieces and fit them together.
Makes simple constructions.
Notice patterns and arrange things in patterns.
Joins in with and predicts what comes next in a story or rhyme
Understand key counting principles including:

- The one to one principal: This involves children assigning one number name to each object that is being counted. Children need to ensure that they count each object only once, ensuring they have counted every object.
- The stable order principle: Children understand that, when counting, the numbers have to be said in a certain order.
- The cardinal principle: Children understand that the number name assigned to the final object in a group is the total number of objects in that group

Understanding the World

Talk about their immediate past and present in conversations with peers and adult e.g. 'yesterday I went to, tomorrow I..'
Make connections about past and present as they learn the days of the week e.g. 'today is., yesterday was, tomorrow will be'.
Develop positive attitudes about the differences between people 'Diwali, Christmas'
Observe the changing of weather and seasons, days and months of the year through a daily morning routine.
