

Thursday 16 April 2026

Dear Parent,

Year 1 Phonics Booster Sessions

After the recent Spring assessments we have identified your child, who we believe would benefit from a more personal approach in supporting their phonics progress this year. We have designed some very specific short, engaging and fun sessions to support their phonics. This is in preparation for their assessments this year and it is an excellent opportunity for your child to embed and apply their skills across the core subjects.

The sessions will be run by the Year 1 teachers and will be on Thursdays before school. This specific program will begin **Thursday 30th April 2026**. Children will be dropped off at the school office at 8.15am and will be taken to their phonics session by a Year 1 teacher. The sessions will run with no cost. The last session will be on **Thursday 21st May 2026**.

We do hope you will take advantage of this additional support. Please complete the [google form](#) by Thursday 23rd April 2026.

If you have any questions, please do not hesitate to get in touch with your class teacher.

Many thanks

Nurun Ahmed

Year 1 Achievement Leader
