Dear Parent

Donations of wellies and uniform for the Medical room

We really need donations of school uniform for our medical room. If you have been doing some clearing out at home and have items that your children have outgrown, we would be incredibly grateful for your donations.

While all uniform donations are welcome, we are currently experiencing a particular shortage of the following items:

- **Boys' trousers and joggers**
- **New or near-new underwear and socks** (all sizes)

In addition to clothing, we are also looking for donations of **old Wellies**. As many of you know, our school dog, Toffee, loves his walks on the school field! Having a supply of Wellies at school ensures that the children can join him for some fresh air and exercise, regardless of how muddy the field might be. If your child has outgrown their wellie please consider recycling them by donating them to school.

Thank you in advance for your continued support.

Kind regards

School Office
