Dear Parent

Supporting Your Child's Education: Voluntary Donations for Y1-Y6

Last year, we invited parents to support their child's education through voluntary contributions, and we are deeply grateful to those who participated. Thanks to your generosity, last year we raised £2,430 for the school, which contributed to purchasing Chromebooks for pupils.

We hope you have enjoyed watching the videos showcasing the positive impact these Chromebooks have had. If you missed it, you can view our videos [here](#).

This year, we are once again asking parents to consider making a voluntary donation. We have purchased a new set of Chromebooks for Year 4 pupils, as well as new class sets of devices for Year 1 and essential learning resources—such as new books—across the school.

In addition to funding these valuable tools, your contribution directly supports our overall school budget. School budgets face increasing demands every year, and your support allows us to continue offering a wide range of enriching experiences and high-quality resources that enhance learning for every child.

Donations can be made as a one-off, or on a termly or monthly basis via Arbor. There is no set amount—contributions are entirely voluntary, and any amount, large or small, is greatly appreciated.

Simply log in to **Arbor** and go to the **School Shop** to make your donation (available in increments of £10, £20, £50, or £100).

Thank you once again for your continued support and generosity during these challenging financial times. Together, we can continue enhancing the educational experience for all of our children.

Warm regards

Tijen Hassan

Headteacher
