Dear Parent

Supporting Your Child's Education: Voluntary Donations for Y1-Y6

I am writing to you today with a heartfelt thank you. Every term, we invite parents to support their child's education through voluntary contributions, and the response from our community continues to be inspiring.

Celebrating Our Success: We are delighted to share that during the Autumn term 2025, your generosity helped us raise £1,120. This builds on the incredible £3,310 raised last academic year.

These funds have a tangible impact on daily life at school. As many of you know, the funds raised previously were dedicated to purchasing Chromebooks for our Year 1 and Year 4 pupils. These children received their devices last term, and it has been wonderful to see them using this technology to enhance their learning over the last few months.

(If you haven't yet seen the positive impact these devices are having, please do take a look at the videos shared [here](#))

Looking Ahead: As we move into the Spring term, we are once again asking parents to consider making a voluntary donation. While the Chromebook project was a specific success, our school budget continues to face increasing demands. Your contributions this term will go directly towards the school's overall budget. These donations are vital; they enable us to maintain a wide range of enriching experiences and valuable resources that go beyond the standard curriculum, ensuring every child receives the best possible education.

How to Donate: We understand that every family's situation is different. Please know that there is no set amount—contributions are entirely voluntary, and any donation, big or small, makes a difference. Donations can be made as a one-off, or on a termly/monthly basis via Arbor:

1. Log in to Arbor.
2. Navigate to the School Shop.
3. Select your donation amount (multiples of £10, £20, £50, or £100).

Thank you for your continued partnership. By working together, we can continue to provide an exceptional educational experience for all our children.

Warm regards,

Tijen Hassan

Headteacher
