

# Grange Park Primary School & Our Voice

## SEND coffee morning

15th January 2026 @ 9:15, The Round Hall

Our Voice is the parent carer forum for all parents and carers of children and young people (aged 0-25) with special needs and/or disabilities living in/ going to school in the Borough of Enfield.

Please join us for an informal and supportive chat session to talk with other parents and carers (including some of the Our Voice team) about life with a child / young person with additional needs, and to hear more about Our Voice.

It is so good to be able to talk to other parent/carers and know they are going through similar experiences and just to connect with them

Parents of mainstream children do not necessarily understand our life and challenges we face. The coffee chats make it much easier to link with other parents.
