Dear Nursery and Reception Parents,

I am writing to you today to thank you for your continued partnership in making our Early Years setting such a vibrant place to learn.

What we have achieved so far: We are incredibly grateful to everyone who contributed during the Autumn term. Thanks to your generosity, we have already raised **£400** this academic year specifically for our Early Years resources.

These contributions have an immediate impact on the children's daily activities. That funding has gone directly towards replenishing vital consumables—including cooking ingredients for our culinary explorations, fresh play-dough, and other sensory materials that are essential for hands-on learning.

Spring Term Contributions As we move through the Spring term, we are asking parents to once again consider making a voluntary contribution to help us maintain these resources.

- **Suggested Donation:** We suggest a donation of **£10 per term**.
- **Flexibility:** If you are in a position to give more, it is greatly appreciated. However, please remember that these contributions are entirely voluntary.

How to Donate: You can make a one-off, termly, or monthly donation easily via **Arbor**:

1. Log in to **Arbor**.
2. Navigate to the **School Shop**.
3. Select your donation amount (multiples of £10, £20, £50, or £100).

Thank you for helping us provide these enriching experiences for our youngest learners, fostering their creativity and curiosity from the very start of their educational journey.

Warm regards,

Tijen Hassan
