

AFTER SCHOOL CLUB @GRANGE PARK

Do you want your child to succeed in this tech-driven world?

Do you want to leapfrog your child's development into the future?

Does your child enjoy gaming?

Get ready to ignite the spark of innovation in your child! Join Code Crazy and let's discover the next Steve Jobs together. It's an exhilarating opportunity you don't want to miss!

Students are mastering the art of computer science, boosting their confidence, and sharpening their cognitive skills. Your child will gain hands-on experience with essential programming skills, helping to shape a brighter future.

Book (6 weeks) below at GRANGE PARK, as we take learning through play to a whole new level with Code Crazy!
