

Grange Park Primary School Year 6 Autumn 1 Spanish

Spanish: En el colegio. At school.

Grammar

Nouns: school subjects.

Adjectives to give a reason why they like a specific school subject.

Definite articles el/la/los/las (the) to identify the gender of the nouns.

Full verb conjugation of the verb TO GO (ir), TO LIKE verbs in singular and plural.

Connector words; porque (why)

Culture

What subjects are taught in Spain? How often do children learn English?

Children study the same subjects as in the UK with one difference - Conocimiento del Medio, also known as Cono (a general knowledge subject which includes biology, history, geography, general and local knowledge and social awareness). Children learn English 3 hours per week, emphasising the oral part of the lessons.
