

Dear Parents,

As part of our design and technology unit 'European Sandwich', the children will be tasting a variety of European breads and fillings and then making their design.

The children will need to bring in the foods that they would like to try e.g. ciabatta bread, pitta bread, salami, feta cheese. Please bring the ingredients in a bag on the following dates;

Monday 20 November- Please send your child in with the breads they would like to taste and evaluate

Tuesday 28 November- Please send your child in with the fillings they would like to taste and evaluate.

The children will be making their final European sandwiches on **Monday 11 December**. The children will inform you of the ingredients (bread and at least two fillings) they intend to use on the day. We kindly ask that you provide your child with these ingredients in a bag labelled with their name.

Please ensure that there are no nuts within the ingredients.

We look forward to making the sandwiches and we hope that the children will make them at home for you as well.

Many thanks,

Hollese Britton
