Dear Parents

RE. Possible Strike Action

You may be aware the National Education Union, have stated their intention to strike on the following dates:

- Wednesday 5 July 2023
- Friday 7 July 2023

The strike has been called because of a national dispute between the unions and the government over teachers' pay.

Each school will be managing the situation separately, depending on their staff. I am getting in touch to give you as much notice as possible that learning is likely to be disrupted on these dates and the school may be closed to pupils. At the moment, no decision has been made about the situation at Grange Park. **As a precaution**, we recommend that you start to consider alternative childcare arrangements for these dates. I will inform you of the final arrangements, as soon as possible, as to whether there will be a closure.

I appreciate that school closure may cause difficulties for some of our families and I appreciate your support for our teachers and the rest of our school community in these challenging times.

Best Wishes

Tijen Hassan
Headteacher
