

World Culture Day – A Celebration of Diversity and Belonging

On **Thursday 19 June**, Grange Park was bursting with colour, music and celebration as we came together for **World Culture Day**. From the moment children arrived in their traditional clothing, flag colours, or football kits representing countries meaningful to them, the excitement and pride were palpable.

Each class focused on a different country, offering children the chance to explore a wide range of traditions through food, music, art, storytelling and more. The classrooms were beautifully decorated with fun facts, handmade flags and welcoming displays – a testament to the creativity and commitment of our staff and children.

The day ended with a vibrant parade where children proudly waved the flags they had made and shared where they and their families come from. It was a truly joyful celebration of the many cultures and backgrounds that make up our school community.

As a school, we are working hard to ensure that all children feel seen, celebrated and represented – and World Culture Day was a shining example of that vision in action.

Thank you to all families who supported the event.
