

Tuesday 1 September 2026

Dear Parent,

Year 4 has planned an exciting practical chemistry based workshop. This 'Water Cycle' investigation is a part of our states of matter topic. The purpose of the workshop will be to teach children about fair testing and changes of states from liquid to gas and back again.

All classes will attend the workshop on **Friday 18th September**. The cost of this workshop is £6.50 which covers the visiting scientist and all the materials the children will be using during the workshop. In the unlikely event that the costs cannot be covered by contributions, the workshop will be cancelled. If your child is eligible for Pupil Premium the school can support you. Payments to be paid via Arbor > Trips > Year 4 Science Workshop by **Friday 18th September** at the latest.

Please make payment via Arbor > payments > Y4 Science workshop

Many thanks,

Year 4 team
