

Thursday 3 September 2026

Dear Nursery Parents,

I hope you all had a wonderful summer. We are thrilled to welcome your child to Grange Park as they begin their journey with us very soon.

You should have received details regarding the date and time of your **upcoming school visit** in the letter distributed at the New Nursery Parents Meeting in July. On the day of your visit, please arrive with plenty of time to spare and report to the school office. From there, you will be guided to your child's new classroom.

As a reminder, to ensure a smooth transition and the best possible start for your child, we will be implementing a phased start in line with our admissions procedures. Please refer to the letter you received in July with the dates and times.

We would love to invite you to a special Welcome Picnic hosted by the GPPSA on **Saturday 26 September, from 11:00 am to 2:00 pm** on the school field! This is a fantastic opportunity to meet other new families, connect with our school community, and let the children have fun together in a relaxed setting. All of our staff are really looking forward to seeing you there—it promises to be a wonderful event, so please do come along!

If you have any questions regarding the details mentioned above, please feel free to contact the school office via email on office@grangeparkprimary.org including your child's full name in the correspondence.

We are looking forward to welcoming your child to our nursery soon!

With warmest regards

Tijen Hassan
Headteacher
