

## Crafty Kids Creative Fun After school club Summer term

Are your hands itching to create? Hunting for fresh ideas and projects? Well, why not hop on board Crafty Kids! It's where imagination, creativity, and colors throw the ultimate party. A cool hub for crafting, learning new tricks, and meeting new crafty buddies.

**"Creative hands, happy hearts."**

At Crafty Kids, little creators build dexterity, boost concentration, and grow confidence through fun, hands-on crafts. As they make and explore, they also connect with other children who share their interests — learning, creating, and socialising in a supportive, colorful space.

Come and join us as we will dive into a world of textures and materials, using yarns, ribbons, felts, fabrics, beads and so much more....to make your wildest ideas come to life!
