

Are your hands itching to create? Hunting for fresh ideas and projects? Well, why not hop on board Crafty Kids! It's where imagination, creativity, and colors throw the ultimate party.

"Creative hands, happy hearts."

A hands-on crafting club designed to inspire creativity through sensory exploration. Children will discover a variety of textures, colours, and materials—from soft yarns and felt to ribbons, fabrics, beads, and recycled treasures.

Through fun, age-appropriate projects, children will develop fine motor skills, concentration, confidence, and creativity, and confidence while exploring, creating, and learning through touch.
