

Welcome to Year 3

Information for parents: September 2026

Before we begin, just a few quick reminders:

- If you have little ones with you and they become restless, please don't worry; feel free to step out if you need to.
- We kindly ask that all mobile phones are switched to silent.
- If you have any questions, please make a note of them and save them until the end of the presentation, unless I invite questions during the session.

Thank you, and let's get started.

Attendance & Punctuality

Achieving Their Best

We have a whole-school target of 97% attendance. Children thrive when they are in school on time every day, ensuring a positive, confident, and settled start to the day for the entire class.

A prompt arrival ensures your child can participate in the important 'meet and greet' with their teacher, allowing a valuable connection before the day begins.

Attendance

The NHS has published guidance on when to send your child to school and when to keep them at home:

- High Temperature (Fever): If your child has a high temperature, they should remain at home until it returns to normal.
- Diarrhoea and Vomiting: Children should stay home for 48 hours after their last episode of diarrhoea or vomiting.
- Chickenpox: Keep your child off school until all spots have crusted over, typically about five days after they first appeared.

Children with mild symptoms can attend school if they feel well enough.

- **School Doors:** Open from **8:45 AM**, with children expected to be in class very soon after.
- **Late Arrivals:** Children arriving **after 8:55 AM** will be marked late on the register.
- **Absences:** If your child is ill please notify the school via **Arbor**.
- **Early/During School Collections:** Where possible, please book appointments outside school hours. If however your child does have a dental/medical appointment, parents must warn the office in advance of the collection.
- **Good Attendance:** is celebrated in our family assemblies and the Newsroundup.
- **End of the Day:** The school day ends at **3:25 PM** for all children in Reception to Year 6.
- **Collection Point:** Parents are to collect their child from the top of the path opposite the year 3 classrooms..

Make sure
you check out

Navigating Friendships

Age appropriate behaviours

As children talk about their day, they will often tell you about events from their own perspective. That perspective is important because it reflects how they have experienced a situation and how they are feeling.

However, children don't always see or know the whole picture. They may have missed what happened beforehand, misunderstood someone's intentions, or only be able to describe events from their point of view.

If your child comes home upset or concerned about something:

- Please listen to them, acknowledge their feelings, and reassure them that you've heard them.
- Then, please let us know. By speaking to school, we can look into what happened, gather the full picture, and ensure that any concerns are addressed fairly and appropriately.

Friendships at this age are still developing, and children are learning important skills such as sharing, resolving disagreements, taking turns, and understanding different viewpoints. There will inevitably be misunderstandings and friendship ups and downs along the way, and these are valuable learning opportunities that we support them through.

We are committed to working in partnership with you. The earlier we know about a concern, the sooner we can investigate, support the children involved, and help everyone move forward positively.

We would always rather hear about a concern early so that we can work together to understand the full picture and support your child.

	Agreement for the School	Agreement for pupils	Agreement for parents
	As a school we will commit to:	As a pupil I will commit to:	As a parent I will commit to:
Communication and Partnership	Maintaining a polite and courteous and professional environment at all times. Informing parents regularly about their child's academic progress, behaviour and attendance. Communicating with parents to share positive news on progress, behaviour, attendance or punctuality. Communicating with parents if there are concerns regarding progress, behaviour, attendance or punctuality. Ensuring communication between the school and parents is effective.	Talking to a trusted adult in school if I'm unhappy and to keep trying until I am heard. Sharing my school day honestly with my parents and participating in restorative conversations to solve problems. Talking at home about what I learn at school to share my progress with my family. Participating in school life as an ambassador for Grange Park.	Maintaining polite, professional, and personal communication with the school at all times. Using a personal conversation or meeting as the required first step to resolve issues. Following the school's formal escalation pathway (starting with the Class Teacher); ensuring any escalated correspondence includes details of previous informal discussions and allowing reasonable time for matters to be looked into. Acknowledging that there may be multiple perspectives to a situation and remaining reasonable and proportionate when raising concerns. Focusing concerns solely on my own child, refraining from using collective platforms to raise concerns, and accepting that, to protect privacy, the school cannot discuss other children with me. Using parent WhatsApp groups only for sharing school information rather than discussing children, staff, or policy. Considering the ethical implications of using AI and ensuring correspondence remains authentic and personal.
Wellbeing, Environment and Community	Ensuring the safety, happiness and self-confidence of all pupils and encouraging them to do their best at all times. Providing opportunities for effectively reducing, reusing and recycling waste.	Being an ambassador for my school when I am off site. Reducing waste by reducing, reusing and recycling.	Speaking positively about the school and staff in front of my child to model a supportive relationship. Attending parent's meetings, concerts and assemblies. Keeping the school updated on any changes in circumstances that may affect my child's learning. Completing and returning all consent forms promptly. Supporting my child to reduce waste by reducing, reusing and recycling.

At Grange Park, we are immensely proud of our school community - our dedicated staff, supportive families, and, most importantly, our wonderful pupils who make our school such a vibrant and welcoming place.

As you begin your journey with us, we want to ensure that every child has the very best experience and opportunities to thrive. To support this, we are introducing a formal Home-School Agreement. While working in partnership with families has always been at the heart of what we do, this agreement clearly outlines the shared responsibilities of the school, parents and pupils.

To summarise the communication lines:

We are always here to support your child's learning journey.

Talk to us first: We value personal conversation as the most effective way to resolve issues. The Class Teacher (us) is your first point of contact as we know your child best and can usually sort things quickly. To support this, we commit to a conversation, phone call, or meeting at a mutually convenient time.

To keep the focus on resolution, we ask that you avoid sending long or escalating emails. You will also find members of the Senior Leadership Team outside at the start of each day; they are always happy to listen and pass on messages or concerns along to the staff.

General Communication Guidelines

Escalate accordingly:

Escalate accordingly: If a concern isn't resolved with the teacher, you can then escalate the matter to the Achievement Leader, then the Deputy Headteacher and finally the Headteacher if needed.

We ask that any further communications include details of how the issue has already been addressed informally.

School uniform

Uniform Policy: It is vital that all children wear the correct school uniform and footwear, including PE kits. We will communicate with parents if a child's uniform does not meet school requirements.

Day Wear

- Purple or white polo shirt (with logo)
- Purple sweatshirt/cardigan (with logo)
- Grey pinafore/skirt/trousers/ shorts (no leggings please)
- Purple and white gingham summer dress or shorts
- White/grey/black socks or tights
- Black shoes (strong and flat heeled) or plain black trainers (no logos or colour on trainers)

School uniform

Please ensure all uniform items, PE kit, and other belongings are clearly labelled with your child's name.

For full uniform details, please visit our website: [School Uniform - Grange Park Primary](#)

- For health and safety, only religious items, stud earrings, and watches are permitted. Make-up and nail polish are not allowed.

School uniform (PE)

Children should come to school wearing their PE kit on the days they have PE.

Children must remove all earrings and watches before PE and games lessons.

PE Kit

- Purple or white Polo (with logo)
- Grey winter sweatshirt (with logo)
- Grey winter joggers
- Black PE shorts
- Black plimsolls or plain black trainers (no logos or colour on trainers)
- Leggings and other colour joggers/sweatshirts are not permitted

PE

One PE session will be swimming with the swimming teachers and the other will be with the coaches on a Thursday.

School resources

As you know, children from Year 1 - Year 6 should bring in their own pencil case and stationery to school which many schools are requesting now. This enables children to take care and have a sense of responsibility for their own belongings. Please see the list:

1 x Clear pencil case (20cm X 12cm)

1 x A glue stick

3 X HB pencils (Staedtler Noris/Yellow and Black HB)

1 x Purple pen (ball point)

3 x Whiteboard pen

1 x Black handwriting pen (Y4-Y6 only)

1 x Sharpener

1 x Rubber

6 x colouring pencils

Box of tissues for the classroom (this doesn't need to be labelled as it's for the classroom)

Playtime & Lunchtime

Playtime snacks and snacks before enrichment clubs are an integral part of our school day. We kindly ask for your cooperation in limiting these to fruit and vegetables only

We do not permit any snacks or packed lunches containing nuts or nut products due to allergies.

We encourage parents to select their child's lunch choices together via The Pantry website to ensure a smooth and enjoyable lunch experience when they reach the hatch.

If lunch has not been ordered in advance, your child will be provided with a jacket potato.

If you choose to send a packed lunch, please ensure it is healthy.

While tasty, items like crisps and chocolates are high in sugar and unhealthy fats, which can lead to energy fluctuations that hinder productive learning and play.

Playtime & Lunchtime

We continue to add 'loose parts' to the playgrounds, fostering opportunities for creative and imaginative play by allowing children to manipulate and change their environment. This initiative will continue to develop throughout the year, so please look out for requests for donations.

We are also fortunate to have fixed equipment throughout our playgrounds for children to climb and enjoy when supervised.

All playground enhancements are subject to strict risk assessments. We kindly request that you do not allow your children to play on or with the equipment before or after school.

The Grange Park Way: Behaviour for Learning

We have high expectations for children's behaviour in the classroom, when moving around the school and during play and lunchtimes.

We believe positive behaviour is central to children's learning, wellbeing and success.

We celebrate and recognise children who demonstrate The Grange Park Way - **Ready**, **Respectful** and **Safe**

Our aim is to teach behaviour, not simply manage it. We work with children to develop self-regulation, responsibility and positive relationships.

We ask parents and carers to work in partnership with us by reinforcing these expectations at home and encouraging children to take responsibility for their choices.

Our approach to behaviour is consistent, fair and focused on helping children learn from their experiences. It is guided by our published **Behaviour for Learning Guidance**, which can be found on the school website.

We maintain strict confidentiality and will not discuss other children with you, as this safeguards all pupils.

Respecting our shared spaces – Terrific Toilets

Respect extends to all areas of our school. Our 'Terrific Toilets' initiative supports children in using school bathrooms responsibly, respectfully and considerately, helping to create a positive environment for everyone.

The Curriculum: Ambitious and coherently planned

Our coherently planned curriculum uses the National Curriculum as its foundation for subject content and expectations.

We are committed to ensuring our pupils experience a broad and balanced curriculum, leading to a long-term memory of an ambitious body of knowledge.

The curriculum

It is designed and sequenced so that new knowledge and skills build upon what has been taught before, progressing towards **clearly defined endpoints**.

These endpoints outline what pupils need to know and be able to do at each stage and can be found on our website in the curriculum tab: [Subjects - Grange Park Primary](#)

We understand that learning is most successful when children can make connections with past learning and future topics, ensuring that learning is organised and meaningful.

Grange Park Primary School Year 3 Autumn 1 History

Stone Age Hunter Gatherers: 800,000 BC - 2,500 BC

Timeline	
800,000 BC - 10, 500 BC	Palaeolithic Stone Age (Old or Ancient Stone Age)
10, 500 BC - 4,000 BC	Mesolithic Stone Age (Middle Stone Age)
4, 000 BC - 2,500 BC	Neolithic Stone Age (New Stone Age)

What was the Stone Age?

The Stone Age began when the first tools were made from stone and ended with the introduction of metal tools. At the end of the Ice Age, the sea levels rose and Britain turned into an island. Humans survived by using sharp stone tools to kill animals such as mammoths and sabre tooth tigers. Dead animals proved to be useful resources in the Stone Age because they provided food to eat and skins to keep warm. Bones and flint were other useful tools used at the time to make tools.

Why was Stonehenge so important?

Stonehenge is one of the world's most famous monuments. It stands on Salisbury Plain, in Wiltshire and can be seen from miles around. It is believed that people gathered there for religious ceremonies. Circles built from stone or wood played a very important part to the religious life of the British people. Stonehenge is one of the hundreds of stone circles found in Britain. Many experts believe Stonehenge was used for funerals. They suggest people carried the dead along the River Avon and then walked up the Stonehenge in a grand procession.

Reading hub

The reading hub had an uplift at the start of last academic year! The children are excited about the new books and have spent the last couple of terms enjoying them.

With the time and cost of the upgrade, we have set up the reading hub system to carefully monitor book loans.

If your child has a book that is overdue, you will receive an email from our system that tells you this.

After a second reminder you will receive an email that will charge you for the outstanding book.

Swimming

As part of the curriculum, we offer swimming at our school. In the past we used to go to Arnos Grove swimming pool, but this year we will be setting up the temporary pool on site and all Y3s will have their swimming lessons on site. This is our second time setting up the pool, it was very successful in 2024 - 2025 academic year

Home learning including reading

Home School Diary and Reading Record (Purple Books) These books are an essential tool for communication and learning support, and must be brought to school every day.

- **Content:** They contain valuable support materials for maths, reading, spelling lists, handwriting, recommended reads, and question stems to support reading at home. They also include all digital logins for the children.

- **Reading Record:** This is where parents (or children, depending on age) should record daily reading, note new and tricky words, and find our school word of the week to practise and use in everyday conversation.

- **Key Stage 2 (KS2)** Specifics: These books also double as 'Magpie Books', providing space for children to note interesting phrases from their reading. Children will receive one banded book and one reading for pleasure book.

A balanced digital diet

Purpose over time:

Focus on active learning rather than passive scrolling.

Regular Breaks:

We use tech in short bursts. At home, encourage frequent breaks to move, stretch, and rest the eyes.

Set Clear Boundaries:

Time Limits: Aim for 1-2 hours on weekdays (up to 2 hours at weekends).

Tech-Free Zones: No screens at mealtimes or 1 hour before bed.

School Lock: Chromebooks only work 7:30am – 8:30pm.

Monitor & Mentor:

Parents sit with your child to see what they are doing and keep them safe.

Prioritise the “Offline”:

Ensure tech never replaces sleep, exercise, or face-to-face play.

Mind Your Posture:

Sit upright at a table. Avoid “tech-neck” by keeping the screen at eye level.

HOME LEARNING KS2

1 EXPECTATIONS

All home learning is set on a Friday and due back the following Friday morning (at the latest)

Home learning is set out on a weekly timetable that includes useful links in order for you and adults to access it easily.

This book helps balance your child's screen-based tasks on their Chromebooks with essential handwriting and paper-based activities. Please use it for non-digital assignments, creative projects, and offline practice.

Technology at Grange Park

We remind you of the Chromebook Agreement signed prior to your child receiving their device.

- **Accidental Damage/Loss:** In the event of accidental damage, we request 50% of the trust's cost for the Chromebook. Lost chargers are £24.70, and lost cases are £6.50. You will always receive an email notification when this payment is added to your basket. For any questions or queries regarding this, please speak with the class teacher or the school office team.
- **Care Tips:** Please help your children care for their Chromebooks by transporting them in the provided cases and avoiding eating and drinking while using them. IT Safety Parents, please also ensure you are monitoring your child's IT use on their other personal devices.

Use of phones in school

Last academic year Enfield Council published a letter, signed by over 80 Enfield schools, including Grange Park, informing families of a new policy regarding smartphones. This started in September 2025 and will continue this academic year: smartphones will not be permitted in Enfield primary schools.

As an alternative, we suggest parents consider purchasing 'brick phones' that allow for calls and texts.

If a child brings a smartphone into school, it will be confiscated and given to the office for a parent to collect. It will not be returned to the child.

Enrichment

Special Events, Trips, Residentials & Visitors

We believe these experiences greatly enrich your child's learning.

- Celtic Harmony (Autumn 2)
 - Skeleton Workshop (Spring term)
 - Local Area Walk (Spring term)
 - Ancient Egyptian Workshop (Summer term)
 - Year 3 Sleepover day (Summer term)
- Please remember to consult the News Roundup for dates of all forthcoming events.
- **Voluntary Contributions:** While contributions for trips and workshops are voluntary, they are essential for these valuable experiences to proceed. We kindly request you contribute as much as possible, as insufficient contributions may unfortunately lead to cancellations.

Forest School at Grange Park

Every year group (Nursery - Year 6) is timetabled to participate in Forest School sessions over the course of the year. You will receive more specific information before your child's scheduled sessions.

Toffee- Our School Dog

Toffee!

Our school dog is a beautiful, gentle Cavapoo, a crossbreed known for its friendly nature and hypoallergenic coat (a mix of Cavalier King Charles Spaniel and Poodle). Toffee brings so much joy, comfort, and a wonderful sense of calm to everyone she meets. Her gentle presence helps to create a truly special atmosphere here at Grange Park.

We understand there may be children with allergies or are scared of dogs, this is addressed with sensitivity through our risk assessment which can be found on the school website in the 'About Us' section.

Supporting our school

Donation of a Book for Birthdays As a kind reminder, you are welcome to donate a book to the class in lieu of sending sweets on your child's birthday. Children across the school genuinely enjoy reading these donated books, and teachers add a sticker to acknowledge your thoughtful contribution.

Voluntary Contributions to the School We are immensely grateful that volunteers, fundraisers, and voluntary donations help provide many of our valuable learning experiences. Our school budget is increasingly strained due to significantly lower funding in recent years.

- **Making Donations:** Any parent wishing to make a one-off, termly, or monthly donation can do so through Arbor. There is no fixed amount; any contribution is sincerely appreciated.
- **Sponsorship:** Additionally, if parents are aware of any organisations or companies interested in sponsoring the school, please feel free to reach out and inform us if you have any leads or contacts.

Supporting our school

Parent Workshops We also engage with parents through various parent workshops. Please look out for these in the Autumn 1 term:

- Friday 2nd October: Y3 Home Learning Surgery (3.30pm in the Round Hall)
- Thursday 5th November: Keeping your child safe online (9.30am online)

Our Parents Association, the GPPSA, plays a vital role in bringing the school community together to raise funds for various school projects.

- **Get Involved:** An AGM will be held soon in the Round Hall, and all are welcome! New faces and fresh ideas are always warmly received.

- **Meeting Times:** Meetings are held approximately twice a half-term, just before pick-up on a Friday at school.

We are excited to work alongside you to support your child's learning and growth. Your support and partnership are invaluable to us.

Should you have any questions or concerns throughout the year, please do not hesitate to reach out. Here's to a fantastic year of learning, discovery, and success!
